1. Regulatory Information

Siimplify Trade Inc. (17196172 Canada Inc.) is incorporated in Canada. Siimplify Trade Inc. is registered with the Financial Transactions and Reports Analysis Centre of Canada ("FINTRAC") as a Money Services Business.

Securities-related services offered to clients in Zimbabwe are made available through Siimplify's Zimbabwean subsidiary in partnership with InvestIQ, which is licensed by the Securities and Exchange Commission of Zimbabwe ("SECZim") as a dealer. Siimplify operates as a technology and platform provider; Siimplify itself is not a licensed securities dealer, broker, or investment adviser in Zimbabwe, Canada, the United States, or any other jurisdiction, and does not hold client assets directly.

All promotional materials are provided by Siimplify Trade Inc. and/or its subsidiaries and are intended only for jurisdictions where the relevant Siimplify entity or its partners are authorised to provide services. Nothing on this website constitutes an offer or solicitation to provide services in any jurisdiction where such an offer or solicitation would be unlawful.

2. Nature of Services

Siimplify is not a bank and does not accept deposits. Siimplify provides access to investment and savings products through licensed and regulated third-party partners.

Trading entails significant risk and is not appropriate for all customers. Before deciding to trade, you should carefully consider your investment objectives, level of experience, and risk appetite.

The possibility exists that you could sustain a loss of some or all of your initial investment, and you should therefore not invest money that you cannot afford to lose.

3. Securities Trading Partners

Siimplify offers access to securities trading through licensed market intermediaries and does not itself execute trades or hold client funds or securities.

Zimbabwean stock trading is made available through InvestIQ, a dealer licensed and regulated by the Securities and Exchange Commission of Zimbabwe (SECZim). Custody and foreign exchange services in Zimbabwe are provided by FBC Bank.

U.S. brokerage services are provided by Alpaca Securities LLC, a broker-dealer registered with the U.S. Securities and Exchange Commission and a member of FINRA and SIPC. Technology is offered by SiimplifyTrade. Alpaca is registered only in the United States; service availability is subject to eligibility

and applicable jurisdictional requirements. SIPC protection is subject to applicable limits and does not protect against market losses. Review Alpaca's disclosures at <https://alpaca.markets/disclosures>.

Brokerage, custody, and dealing services are provided by these partner institutions, not by Siimply Trade Inc. or its subsidiaries directly.

4. Investment Risks

Past performance is no guarantee of future results. Historical returns, expected returns, and probability projections are provided for informational and illustrative purposes only and may not reflect actual future performance.

All investing involves risk, including the possible loss of the money you invest. Diversification does not ensure a profit or protect against a loss.

The value of investments can go down as well as up, and you may get back less than you originally invested.

Foreign currency exchange rates may adversely affect the value, price, or income of any security or related investment.
